About the Author

The North American Meat Processors Association is a non-profit industry organization, now in its seventh decade. Their members are meat processing companies and associates who share a continuing commitment to provide their customers with safe, reliable and consistent meat, poultry, seafood, game and other products.

The Association, founded in 1942, is a member-driven organization with member companies both large and small throughout North America. NAMP Member Companies provide unparalleled service to their customers through their unique meat product offerings and premium distribution systems. They are meat experts who satisfy their customer's needs with quality products, professionalism and reliability.

NAMP serves the business and professional needs of its members through a variety of services and educational programs, meetings and seminars.
